Choice of coating colours and finishes

Makefast's Adjuster Range features a new high strength Precision Adjusters (with or without tab) in sizes from 25mm to 50mm, and a new 40mm Ladderlock.

A brand new range of webbing slides includes Sternum Buckles (normal and Quick Attach) as well as Quick Attach Triglides. Sizes range from 25mm to 45mm.

Built from durable materials and available in custom finishes, these products are ideal for military use where reliability and precision are paramount.
